June 22, 2021

Dear Middle Tennessee Family Medicine Patient,

We are happy to announce exciting changes that are coming to Middle Tennessee Family Medicine! Over the past 32 years, our practice has seen amazing growth, which we have managed independently; but, now is the time for us to make a change to help us accommodate this growth and the responsibilities that come with it. We have been offered a wonderful opportunity to work with many of Tennessee's finest providers. We, along with all of our nurse practitioners and physician assistants, will be joining the Internal Medicine/Family Medicine (IM/FM) Department at Murfreesboro Medical Clinic (MMC) on July 1, 2021. Rest assured that you will continue to receive the excellent medical care that you deserve by our present staff in our current location. Our phone number will also remain the same: 615-848-2900.

## TRANSITION TO MMC

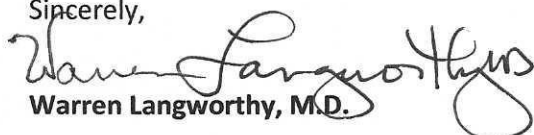

The transition of MTFM to MMC is well underway. To complete this transition, MTFM will close at noon on Wednesday, June 30, 2021 and re-open as MMC Northfield on Monday, July 12. Please review any medications you have on hand and contact us prior to June 30 should you find additional medications will be required prior to July 12. We will have on-call coverage the entire time of our office closure so that your needs will continue to be met. During the time of our closure, simply dial **615-848-2900**. Acutely ill patients who need to be seen during this week are encouraged to visit MMC's Garrison Drive IM/FM Walk-In Clinic, 615-867-8010 or visit one of the MMC Now Family Walk-In Clinics on New Lascassas Hwy, 615-867-8000, Shelbyville Pike (South Church) 615-867-8002; or New Salem Road, 615-867-8001. (Please contact the locations to get their business hours.)

## MEDICAL RECORDS

As of July 1, 2021, all patient records, including yours, will be transferred to MMC, which will maintain medical records according to the same standards of confidentiality as MTFM and as required by the Tennessee Board of Medical Examiners. If you prefer to have your medical records transferred additionally to another medical provider, please have the new provider request records on your behalf. Should you prefer a copy of the records be released to you, you may instead request and return a completed and signed medical record release form within 30 days of the date of this letter. Once a release is received, we will be happy to transfer your medical records to any medical provider of your choosing. **For record requests prior to July 1**, please contact our office to request a medical record release form and fax the completed release to 615-848-2956 ATTN: Records Release. **For requests July 1 and after**, please visit this website for detailed instructions on how to request records: [www.mmclinic.com/medicalrecords](http://www.mmclinic.com/medicalrecords). MMC's Records Release Department contact information—Phone: 615-867-7917 Fax: 615-867-7926 Email: [medicalrelease@mmclinic.com](mailto:medicalrelease@mmclinic.com).

While you will see some changes in our office over the next year, please know that we will be the same people who have loved getting to know you and who have loved providing your family medical care. Walking with you through life's changes has been a joy for all of us at MTFM, and we look forward to continuing our walk with you in the future. We now ask that you accompany us with patience and love as we adjust to our new stage in the practice of medicine.

Sincerely,

  
Warren Langworthy, M.D.

  
Scott Eller, M.D.
